Veta-HeatShield

Heat Stress Management Formula

-  Helps reduce heat stress
-  Maintains electrolyte balance
-  Supports immunity & performance
-  Enhances productivity in hot conditions

Veta-GrowthPlus

Growth & Performance Enhancer

-  Promotes healthy growth
-  Improves feed conversion ratio
-  Strengthens immunity
-  Supports overall productivity

Veta-ProBio

Probiotic & Gut Health Support

-  Enhances gut microbial balance
-  Improves digestion & nutrient absorption
-  Boosts natural immunity
-  Supports healthy gut & better growth

Veta-Binder

Mycotoxin Binder & Detox Support

-  Binds & deactivates mycotoxins
-  Protects liver & kidney
-  Improves nutrient utilization
-  Supports better growth & health

Veta-Electro

Electrolyte & Hydration Support

Balanced electrolyte formula to support hydration, maintain electrolyte balance and reduce stress.

Key Benefits

- Maintains fluid & electrolyte balance
- Supports hydration during stress
- Helps prevent dehydration
- Improves performance

For Poultry & Livestock
For Veterinary Use Only

Veta-EnergyPlus

Electrolyte & Energy Recovery Formula

Energy and electrolyte combination to restore vitality, reduce fatigue and improve productivity.

Key Benefits

- Rapid energy & electrolyte recovery
- Reduces fatigue & stress
- Supports feed intake
- Enhances productivity

For Poultry & Livestock
For Veterinary Use Only

Veta-HeatShield

Heat Stress Management Formula

Helps animals cope with heat stress by maintaining hydration, electrolyte balance and performance.

Key Benefits

- Helps reduce heat stress
- Maintains electrolyte balance
- Supports immunity & performance
- Improves productivity in hot conditions

For Poultry & Livestock
For Veterinary Use Only

Veta-Recovery

Post-Stress Recovery Formula

Replenishes lost fluids and electrolytes, supports faster recovery and improves overall performance.

Key Benefits

- Restores hydration & electrolytes
- Speeds up recovery after stress
- Supports feed intake
- Improves performance & resilience

For Poultry & Livestock
For Veterinary Use Only

Empowering Animal Health. Enhancing Productivity.

Veta-VitaPlus

Vitamin Premix for
Immunity & Performance

Essential vitamins to support immunity,
growth, productivity and overall health.

Key Benefits

- Supports strong immunity
- Promotes healthy growth
- Improves feed efficiency
- Enhances overall performance

Veta-VitaBoost

Advanced Vitamin Support
for Stress & Vitality

A powerful vitamin blend to reduce stress,
improve vitality and support productivity.

Key Benefits

- Helps reduce stress
- Enhances vitality & energy
- Supports immunity
- Improves production efficiency

Veta-ImmunoPlus

Immunity Support Formula

Strengthens immune system and
helps animals stay healthy
and disease-resistant.

Key Benefits

- Boosts natural immunity
- Improves disease resistance
- Supports gut health
- Enhances overall health

Veta-GrowthPlus

Growth Performance Formula

Supports optimum growth, better
weight gain and feed conversion
in livestock.

Key Benefits

- Promotes healthy growth
- Improves feed conversion
- Supports bone & muscle development
- Enhances productivity

Complete Nutrition. Stronger Animals. Better Performance.

Better Growth
& Performance

Improved Immunity
& Health

Enhanced Feed
Efficiency

Veta-Mineral

Mineral Blend for
Productivity

A balanced blend of essential macro & micro minerals to support growth, reproductive performance and overall health.

Key Benefits

- Supports bone & shell strength
- Improves growth & productivity
- Enhances feed conversion
- Maintains overall health

For Poultry & Livestock
For Veterinary Use Only

Veta-CalMax

Calcium & Phosphorus
Supplement

Advanced calcium, phosphorus & vitamin D3 combination for strong bones, better growth and higher production.

Key Benefits

- Supports strong bones & teeth
- Improves eggshell quality
- Enhances milk production
- Supports growth in young animals

For Poultry & Livestock
For Veterinary Use Only

Veta-Lysine

Essential Amino Acid
Supplement

High quality lysine for optimal protein synthesis, growth performance and improved feed efficiency.

Key Benefits

- Supports lean meat growth
- Improves feed efficiency
- Enhances protein utilization
- Supports overall performance

For Poultry & Livestock
For Veterinary Use Only

Balanced Minerals. Better Health. Stronger Performance.

Veta-LivCare

Liver Support Formula

Supports liver detoxification, enhances metabolism and helps maintain optimal liver health.

Key Benefits

- Supports liver function & detoxification
- Protects liver cells from damage
- Improves appetite & feed intake
- Enhances overall performance

Veta-DigestPlus

Digestive Health Support

A unique blend of digestive enzymes, probiotics and nutrients to support healthy digestion and gut balance.

Key Benefits

- Improves digestion & nutrient utilization
- Supports healthy gut microflora
- Reduces digestive upsets
- Improves growth & productivity

Veta-HepatoCare

Hepato Protect & Recovery Formula

Supports liver regeneration, detoxification and protection against toxins and oxidative stress.

Key Benefits

- Supports liver cell protection & repair
- Helps neutralize toxins
- Enhances metabolism & vitality
- Supports faster recovery

Advanced Solutions for Liver & Digestive Health

Support detoxification, improve digestion and enhance nutrient utilization.

Veta-LivCare

Liver Support Formula

- Supports liver detoxification & function
- Enhances metabolism & nutrient utilization
- Helps maintain optimal liver health
- Improves appetite & feed intake

Liquid Supplement

1 L

Veta-LivBoost

Liver Detox & Recovery Formula

- Supports liver detox & regeneration
- Protects liver cells from damage
- Enhances recovery after stress
- Improves overall performance

Liquid Supplement

1 L

Veta-ProBio

Probiotic & Gut Health Support

- Supports healthy gut microflora balance
- Improves digestion & nutrient absorption
- Enhances immunity & disease resistance
- Reduces digestive upsets

Powder Supplement

1 kg

Veta-Enzyme

Digestive Enzyme Blend

- Improves digestion of nutrients
- Enhances feed efficiency
- Reduces undigested nutrients in gut
- Supports better growth & FCR

Powder Supplement

1 kg

Veta-Fiberase

Fiber & Cellulase Enzyme

- Breaks down fiber & non-starch polysaccharides
- Improves nutrient availability
- Enhances gut health & performance
- Reduces litter moisture

Powder Supplement

1 kg

Veta-Butyrate

Protected Sodium Butyrate

- Supports gut epithelial health
- Provides energy to intestinal cells
- Improves intestinal integrity
- Helps reduce gut inflammation

Powder Supplement

1 kg

Liver Protection
Supports detoxification and liver health.

Better Digestion
Enhances enzyme activity and nutrient breakdown.

Gut Balance
Promotes healthy microflora and intestinal balance.

Improved Performance
Better feed efficiency, growth and productivity.
